Comment: When I was 23, I taught HS chemistry, 5th grade math, geography at Ruston for a year. Later graduated MIT as a biochemist, worked in oxygen and cancer research and settled in Oregon since 1952. Am now 85, retired, with 2 daughters & 3 grandkids. Would love to correspond. Have a few photos and letters about Ruston, would love to share with anyone interested, just write! If you email, my daughter will pass it on and I'll respond.
